THE ULTIMATE

19 - 21 APRIL 2022

AUCTION DETAILS RESULTS STORES

19-21 APRIL 2022

As Automobili Lamborghini moves to electrify its complete line-up in 2023 and 2024, the legendary super sports car Aventador is approaching its end-of-production. In an unprecedented project, the Italian marque is auctioning the last Lamborghini Aventador LP 780-4 Ultimate Coupé ever produced and a specifically created one-of-one NFT, in collaboration with two of the most iconic creators of our time, contemporary artists Krista Kim, Steve Aoki, and global brand storytelling agency [NFT GROUP]. The Lamborghini 'Ultimate' drop is the world's first supercar 1:1 NFT marking the end of a successful era for Lamborghini and moving the supercar bull forward into the digital era.

There will only be one collector who will own the Ultimate 1:1 NFT Lamborghini collectible that can be shared across generations to come. The lucky collector will be part of the brand's iconic legacy and will have access to VIP utilities, which include exclusive virtual previews of future limited edition Lamborghini models, a private tour of the Museo Lamborghini, and a v.i.p. 'Meet & Greet' with Steve Aoki and Krista Kim, plus other VVIP benefits.
